Bentley Guide: Longaberger Collectors Guide (Bentley Collection Guide, 2007-2008) Jill Rindfuss

This loose-leaf binder version includes the matching Bentley poly binder to hold the pages. Organize and track your Longaberger collection with this full-color collectors guide. Featuring 282 pages with nearly 2000 individual photos of all items back to 1979 through May 2007, including baskets, pottery, wrought iron, wood products and more! Market values from actual selling transactions are also included to help you insure your items, or prepare them for sale. For the Collector, Fun Facts are featured throughout, making this book not only functional, but very fun to read, too! Other features include tools to help you identify what items you own, a fabric identification guide as well as tips and overviews of today's market place. A must have for EVERY Longaberger Collector! ****NOTE**** For more updated information, join us online! Go to www.bentleyguide.com for more info.
