## Case Closed, Vol. 23 Gosho Aoyama

Surely the Junior Detective League can't get into any trouble at an afternoon monster movie. But when a man in the audience dies, Conan and Anita realize that the real monster isn't the big green behemoth on the screen. Then Rachel gets her own movie moment, playing Rose--minus Jack--at the prow of a glittering ocean liner. When a suspicious explosion kills the romance, it's time for Conan and teen detective Harley Hartwell to make sure that the passengers' hearts *will* go on!

**Actual rating: 3.5 stars**

It took me more than one sitting to read.

Die Fälle mit Heiji finde ich immer lustig und im nächsten Band kommt wohl Inspektorin Sato öfter vor und die ist große Liebe!

### Lissibith says

So, I asked in an earlier review how it's possible these kids don't have a complex or anything. And I wonder it again as the Detective Boys get more than they bargained for at a monster movie marathon. They get - you guessed it - murder! (seriously, this series definitely goes to the murder well way too often early on). Then we get a mystery on a boat, with a select group answering a quiz in the newspaper and getting a free cruise. But when people start dying one by one, it starts to feel a little like an Agatha Christie story.

And at the end, we get the basest start of another case involving Sato and Takagi. Which obviously I love. But I'll save talking about that for the next volume since it's barely in this book.

The movie theater case is pretty low-key, but after the excitement of the last volume and the second case of this book, I think something a little calmer was a good pacing decision. The boat case, by contrast, is more complex, with a lot of moving pieces and the added complication of Heiji being one of the people on the boat.

A quick and enjoyable read.

### Mahra says

Enjoyed but did not top volume 22

1. The murder in the cinema was okay, I wasn't that hooked up, due the lack of knowledge for old cinema facility and behind the scenes

2. The next case was an interesting one but I was confused when they started talking about the killer Kanzo from 20 years ago, but I do admit the flash back at the beginnings where the gang kills the boss and leave.

3. ALSO I WAS WORRIED ABOUT HEIJI/HARELY THE ENTIRE TIME! And it was cute when he still wore the lucky charm/talisman.

All in all, i want to read volume 24, since it starts about the two cute inspectors in the investigation team

### **Rici says**

Hier haben wir wieder längere Stories. Zum einen in einem Kino, was abgerissen werden soll. Dann auf einen Schiff, wo die Leute zusammen treffen, die mit einem Raubüberfall von vor 20 Jahren zusammen hängen.

#### **Proper review to follow**

One Word Rec.: **READ**

Rating: **5** ?????

Aoyama Gosho; **DETECTIVE CONAN** [Meitantei Conan #23]

e/read online; genre: { manga, mystery, shounen }; shelves: |comics, GN, **manga**, manhwa, manhwa|

General Synopsis:

**As mentioned above, I am going to write a proper review for this soon, but I have a few books ahead of this one in the queue, so I cannot stop reading DC NOW! That's sacrilege. I have decided to read all the chapters available up to now (we are almost to 1000!) As you can see, I am totally fangirling over here and I don't care, because this is one of my favorite manga series, ever! But all of this aside, there are a few things I wanted to list so I don't need to go back and look everything up when I do finally sit down and write my fangirl review. 🙌?**

V.23, includes Files 222 - 231

**DO NOT** click on the spoiler link if you don't want to read all the cases in this volume, because it will ruin it for you. On the other hand, if you're a fan like me or are looking for a certain case (and please note, these are how I have set the cases), etc. click away, that's why it's there.

(view spoiler)

Another spoiler link, so don't click if you don't want to ruin this manga. I am going to include the characters introduced or as the series continues are in this volume. Personally, I think us **DC** fans love certain characters more than other (yes, Heiji, I mean you!), so sometimes when we are re-reading this series (like all the time!) you might wish to start at a specific case or start when a certain character is involved.

Personal Opinion:

**#1, I never call this CASE CLOSED. If you do, you're not a true fan of this series, so don't even bother reading my review or my personal opinions. I'm sorry if I offend you, but you offended me first by telling me you want to read CASE CLOSED or you just love Jimmy.**

**#2, as you can tell by #1, I read this online. I would never waste my money buying a manga series in english that cannot get the name correct and mess up the main characters to make it appear more "ENGLISH." I am so happy I don't run a blog and this isn't a review on Sailor Moon, #1, because I have a huge soap box tirade against DiC. I also don't think there is anything against reading something online. Comics, which is what manga are, are meant to be read and shared and sometimes paying over \$10 is too much in my opinion. Plus, I read the newest chapters as soon as they are released from Japan, because I would never miss a release of DC. So this is my personal shout out to you translators from me, Thank You!**

### **Megurine says**

Sooooooooooooo good. This might be my favourite case closed book in the series.

---

### **Sae-chan says**

I think I got used to Hattori-kun's kansai-ben by now. The story of bank robbery in the past was quite noir, with the scene of murder on the cliff.

---

### **Susanne says**

First case: in the cinema someone seems to kill himself but the detective boys have a different idea

Second case: A random group of people goes on a cruise. However they are all connected through a case that happened 20 years ago. Suddenly a murder happens. Great case that also shows how lifes can be randomly connected through a crime

Third case: The police department caught a suspect. Though Sato thinks he might be innocent and Takagi and the detective boys have 1 day to find the real culprit.

All in all a god volume. Especially the case on the boat is awesome.
