Tressie Lockwood

Coyote Inn Tressie Lockwood

Jarrika has inherited an inn at the base of a beautiful mountain in Oregon, or so she thinks. When she gets there, the angry and cold owner, sexy coyote shifter Jack Summers, tells her she's the victim of an elaborate lie. Destitute with no idea what she will do next, Jarrika is dependent on Jack's good graces. She buys time at the inn using her cooking skills to feed the bottomless pit that is Jack and his pet coyote Casey. When time doesn't heal all wounds, the ghost of Jack's great-grandmother must bring together an emotionally scarred shifter and the woman meant to be his mate.

raeneysa says

i the fact the hero had a bad attitude and has the heroine was able to meted his soul also the brother was was hilarious in his own right.

lover-of-good-books says

I was kinda hoping for a happier ending for Casey, but overall this was a pretty good read.

Nakeya says

Love the book!! Liked how the characters were able to know each other before jumping in the bed.

Merenda says

I'm a huge fan of Ms. Lockwoods work, however this book, this book made my eyes twitch. We find our female protagonist stumbling through the desert because of a letter that was sent to her. She get's there and is met with sir grumpy face and he is an immediate asshole. And, you think it's gonna change but it doesn't. Then one crazy and completely random event later, they're f*cking. It baffled my mind! I don't understand it. She went from one abusive relationship to go stumbling to a guy who verbally abused her on site? Gah! Frustrating. And we get little snippets of what happened to the "hero's" brother but nothing more than a literal piece of info that just had me pulling my hair out. That brother was my favorite character, probably because he couldn't talk.

Deborah says

I Loved this story. I've loved all the books I've read of this author.

I plan to read all of them and the more I read the more addicted I get.

Maya says

Short, sweet and at times funny.

Elise-Pinterest+Goodreads=The Perfect Book Boyfriend says

I enjoyed this book because it was short and entertaining. I think because it is short, there were some parts that were not fully developed, like the great-grandmother, and a little more depth with Casey would have been nice. The sex was appropriate, although a little rushed. To clarify rushed, it was time for sex to happen in the book, however, the events leading up to them were a little lackluster. Overall, the book was entertaining and I would recommend.
