A Roadmap to Achieving Your Innermost Dreams

Do you ever wonder why some people always seem to be at the right place at the right time, enjoying good fortune, health, the ideal mate, happy kids, and achieve more than the average person could ever imagine? Have you wondered what makes them so 'lucky' or well connected? People who enjoy a heightened state of living and have their dreams and goals realized to their fullest potential have tapped into one of the oldest and influential principles for living a fulfilled life--the Law of Attraction. *Life Lessons for Mastering the Law of Attraction* teaches you what you need to know about living the Law of Attraction and how to create your own personal success through its concepts.

Master coaches and experts in the Law of Attraction Jeanna Gabellini and Eva Gregory and one of the superstar contributors to the *The Secret*, Jack Canfield, have come together to share with you the powerful and life changing lessons and techniques of the Law of Attraction.

Filled with exercises, lessons, real-life stories, and proven key ingredients, *Life Lessons for Mastering the Law of Attraction*, from the creators of Chicken Soup for the Soul®, reveals how to master the law's basic tenets, which include: defining moments in life, creating space to create prosperity, acting 'as if,' trusting in intuition, transforming thought, having an 'attitude of gratitude,' and changing the impossible to possible. People have been using these techniques for thousands of years to attract their desires and now you too will be able to create the life of your dreams.

Eastofoz says

Very interesting and thought provoking. Reads like a modern day grimoire at times.

Kerri says

This is a nice collection of stories. I actually met one of the author's at a book talk held in a private estate in Hawaii Kai! Very sweet woman.

Febrione Putri says

another chicken soup book, i think i'll enjoy it. happy read

Julie Butler says

I would give this book a 3 1/2. Most of this book I really like a lot. The formatting was a bit confusing with how they labeled chapters and exercises. If you follow all the exercises, it was more labor intensive than I anticipated. But still, it was uplifting and helpful.

Meaghan Lockhart says

This book ties into The Secret. It takes the Laws of Attraction and breaks it down so it's really easy to understand, and it's very inspiring.

Nik Johnson says

This was the perfect book for my introduction into The Law of Attraction. The stories are compelling and they give an in-depth look at how the law actually works.

I especially like the different exercises at the end of the chapters and the recommendations for other books to also read.

Cheryl Douglas says

As a huge believer in the Law of Attraction, I'm always looking for inspirational stories of people who've achieved success using these principles. This book was it! Loved it!

Hadi Wijaya says

I am not very bought by this book. Since the story try to teach something but it seems wrong at the end. Like the author forced to match the story with the lesson he wants to tell us

Natasha Munson says

The stories are nice. Life Lessons in the title caught my attention.

Ty says

I am a firm believer that a positive attitude and an open mind are critical to having a great and enjoyable life, and I was hoping that this book would give me some more ways to communicate this attitude to friends and co-workers, but the focus was way too mystical and focused on material results. Many of the "reader stories" dwelled on how quickly they got money after they started concentrating on their true desires. This seems far too much like the snake oil salesmen stuff of TV mega-church preachers for my comfort. Not even worth the 99 cents the ebook cost me.
