## **M: Business** O.C. Ferrell

With obstacles put in place to question a potential leader's ethics, world view and career outlook, how does a future leader rise to the top while overcoming obstacles? *M: Business* brings clarity to what business is about. Its design provides a cutting edge approach to business, and its technology components offer an active learning environment, allowing students to envision a prosperous career in business.

### **Rhonda Stephens says**

Decent information but the quality of the actual book was not there. It is equivalent to a very thick magazine, yet they charge hardcover prices. Probably figured they can get away with it because it is used as a college textbook. Not cool
