**Manwhore 2: The Ferro Family** H.M. Ward

**A new series of short stories in HM Ward's Sexy Ferro World**

**When billionaire Sean Ferro crosses my path it's my job to destroy him.** His crimes are horrific and there's no way I'm letting him walk away from them. Whether he wins or loses in court is irrelevant. I'll destroy any chance he has at a happy life when this is over, whether he lands in a jail cell or not.

The arrogant bastard is more beautiful than I thought. He sits there, day after day, closed off and quiet. Dark hair pushed out of his face, and those blue eyes staring into space, unseeing.

I assist the prosecution and twist his silence into apathy, steadily twisting the image of a broken man into a disturbed monster. I destroy him completely well before the end of the trial. Society hates him. And so do I.

But one night will change everything. One chance encounter shows me my mistake. This isn't something I can change, so I offer the only thing I know he needs--me.

**YOU WANT TO FEEL SOORY FOR SEAN, YET BUBBLE WRAP HIM UP TO PROTECT HIM FROM PAIGE DRISKILLS !!!**

Manwhore 2 (A Ferro Family Short Story), is the continued 3 short stories going back into Sean Ferro's past , to the beginning of his nightmare, the trial for the murder of Amanda Ferro and her unborn child, and it's him, Sean Ferro, Amanda's husband that stands before the judge, an empty shell of a man, accused of murdering his beautiful wife and unborn child, only a "MONSTER " would do that.

Manwhore 1 left us with the encounter between Sean and Paige Driskills, one of lawyers on the Prosecuting team of the DA, at Club Noir, a private BDSM Club. Both Sean and Paige realize they have demons of the dark nature and only dark methods can tame these demons, Sean plagued with memories of Amanda and whatever transpired the day she was murdered, thinks Paige can help him, but does this mean Sean Ferro must submit ALL his CONTROL.. And can little Miss Paige Driskills, straight out of law school help Sean Ferro, does she dare??!

H.M. Ward does the time warp brilliantly in Manwhore!! We are seeing a bit of softer Sean before his heart hardened and before Avery softened it again, and we discover how he was lead down that dark road emotionless. You want to feel sorry for Sean and yet bubble wrap him up to protect him from Paige Driskills!!! Most Definitely get Manwhore 1&2 and read about Sean Ferro's past, by H.M Ward only!!

**Sheri says**

Paige and Sean end up bumping into each other at their place where they use to get away from every day life, Club Noir. In this short story another character from the Arrangement series come into play, what could that connection mean? Can and will Paige help Sean forget?

---

**Marissa says**

Pure, sinful addiction... Manwhore 2 pushes the proverbial "limits" of everyone involved. When Paige's escape from reality directly clashes with Sean's need to forget, a beautiful, yet taboo bond is created. Paige clearly sees though the facade that is Sean Ferro and even though her instincts tell her to run, she simply can't pull herself away from him. After a chance encounter leaves them both in a bit of hot water, Paige become more determined than ever that she truly can help the infamous Ferro. Only the ties that bind this bond are more fragile that either one of them can anticipate.

## **Cheryl says**

I love that books 1-3 came out all together because even though this series is about life during the trial, the sexual tension is nuclear in part two. A couple of characters for the arrangement make an appearance in this book. I love Club Nior. It's totally hot, and I'll admit intriguing. I loved how Paige shows a young woman exactly what she's signing on for by going to club Nior.

You also get to see why Sean did all those things with Avery like put her In a crate. It's like witnessing the creation of the Master Dom. Totally hot!!!!

## **Helena Bookhooked says**

This is the second in a three part series following Sean Ferro during the darkest time of his life.

As I started to read this second part, I'm thinking OMG...this is how it all starts and the true Ferro fans will be so loving these scenes.

Paige is a member of an exclusive club and she is the highest rank and the club is her escape from the stress of her life and things from the past. The scenes in the club are intense and give a deeper insight into the mind of Sean.

The trial doesn't really focus into this part and it's about how Paige can read Sean and give him something that he needs even though he thinks he doesn't need it.

This is a great read, it's quite short but fast paced and extremely addictive to get onto the next part.

## **AJ's book-reMarks says**

This story is giving us the opportunity to see what happened to our beloved man Sean Ferro after his wife Amanda and his unborn child were killed. Brings insight to how he was and how broken he becomes. Can't wait for vol#3

---

## **S.M. Stryker says**

Can things get anymore intense? 2 broken people trying to find their own release. A roller coaster of emotions. HM Ward does it again making us beg for more of Sean and Paige. You see how Sean turns into what he is today and why he needed to do what he did to Avery in the Arrangement series. How will Paige and Sean keep their secret. This is a must read! Thank you Holly!

## **J. Lum says**

Firstly, I have to say HM Ward has given us something deep and rich. It's a sort of turn you upside and turn you around kind of short story. MANWHORE #2 manages to break my heart for Sean and Paige, the two protagonists. Anyone who has read the ARRANGEMENT series (Sean and Avery) will be absolutely floored where this story goes. This novella has a lot to offer! Whether it be a novella, series, or novel, a story is meant to evoke feelings. MANWHORE #2 without a doubt left me a bit broken (not in a bad way) and that feeling still lingers even after finishing. Great stories stay with you and MANWHORE #2 will be that kind of story. It was intense to read so be prepared to be floored. I cannot wait to read MANWHORE #3!

## **Kristi says**

Clamps, Hot candle wax and Sex on a stick! Whew, I'm still wiping my forehead after reading this 2nd installment. How far can you go to break someone down and pull them back up? Paige will do anything and everything to break down Sean's walls and peek at the emotional man underneath. Naughtiness goes down between them at Club Noir, but Paige might have went too far. Playing with Sean is like playing with fire and I can't wait to read the last installment in this short story serial. Great story HM Ward!!

---

## **Deborah says**

Genuinely intense! Paige and Sean might have choices but their needs are what they are. A desire so profound that it will consume them whole if they don't find an outlet. Key players are reintroduce while speculation of others might be lurking behind the scenes. Is Sean really a manwhore? Can Paige give Sean what he so desperately seeks? H.M. Ward has my head spinning. Outstanding writing and a great cliffy. An absolute must read!

## **Crystal says**

In this volume of Manwhore we see Sean and Page's relationship develop further. They both have a need not only for control, but for escape as well. They find this escape at Club Noire, a place where limits are tested, roles and rules are clearly defined, and what you are dealing with out in the real world has no bearing to what happens inside those walls. For the time they are there, they can live in the moment, not think about their lives, what they have seen and what they have lived through.

HM Ward is the master of character development. Both Paige and Sean's characters meet a whole new depth in this installment. Their need for escape, release and control shows the complexity of their lives and the shift they are both going through. My heart actually broke for Sean, he was vulnerable and broken, not the assy control freak we have been accustomed to. I am always so shocked at the twists Holly throws at us while reading. The plot is never predictable, and just when you think you have figured it out, BAM it all changes! In Manwhore all it took was one word, one name thrown into the story and I was completely blown out of the water. My mind began to run and race, so many possible scenarios, and tie-ins to the Sean we

know in the Arrangement series. Manwhore 2 has left me with so many questions. I cannot wait for Manwhore 3 to come out to see if my theories are correct and if all my questions are answered.

### **Gabby Hillier says**
