**Preacher's Fury** William W. Johnstone , J.A. Johnstone  
**The Greatest Western Writer Of The 21st Century**

## **A Woman For The Winter.**

Montana Territory and a band of Assiniboine Indians give Preacher shelter for the winter. A beautiful woman named Raven's Wing makes the sheltering even better--once he gets things straight with a jealous brave who wants to lift Preacher's scalp.

## **A Fire In The Night.**

Across the border is another wanderer and another tribe. Preacher's old enemy, Willie Deaver, plies a band of Indians with the deadliest combination possible: whisky, guns and bullets--then directs them to try out their killing tools on the Assiniboine. The raid reaps a harvest of devastating death, bloodshed and helpless captives. Deaver is all the more delighted when he learns Preacher is among the fallen.

## **And The Fury Of A Mountain Man... .**

But in the driving, drifting snow, with a handful of bloodied survivors by his side, Preacher is rising: a rifle in his hands, red-hot fury in his heart, and icy vengeance in his gun sight. . .

## From Reader Review Preacher's Fury for online ebook

### Randy says

Preacher and his partner, Lorenzo, were stopping at Blind Pete's Place for supplies for the winter that was almost on them. That was where the trouble started.

They found two other friends, little Audie, the educated dwarf, and Nighthawk, his Crow partner, about to get into it with a crew of five rough looking fellows, Willie Deaver and his crew.

The fight didn't last long though and the four men left Deaver and his unconscious on the floor. They loaded up on supplies and headed for the Assiniboine village of Bent Leg where they hoped to spend the winter. Along the way they were jumped by a band of Gros Ventre, the Assiniboine's bitter enemies and rescued a beautiful young woman, Raven's Wing. She was old Bent Leg's niece.

They settled in and, other than a warrior's objection to raven's wing picking Preacher over him, not a lot of problem.

There was still Willie Deaver out there though. He was a gunrunner selling to the Indians. This time he picked the Gros Ventre village of Snake Heart, on the other side of a ridge from Bent Leg's.

There the battles began amid a strong snow storm.

As always, the Preacher novels are strongly plotted, adventure novels of the early west. The author behind the J. A. Johnstone name on this one is a favorite.

---

### Sue says

Fantastic; great pace. Epic one-on-one body struggles.

I also counted some high falutin' words,  
that I'm not ashamed to admit I had never seen:

cairn, nocked, beezer, hawsers, puncheons, blunderbuss

---

### Barry says

William W. Johnstone knows the old west, you can picture the area he is talking about, does his research to make you think you are there.

---

## **Deanna S. Burger says**

### **Preachers fury**

I have yet to be disappointed on any of Johnston's books. HE is an author I will continue reading. I hope I can read every single one

---

## **Flannery Kneel says**

Preacher and his companions, Lorenzo his African- American trail buddy, Audie a little person and long time friend, and the Crow Indian, Nighthawk, are all spending the winter with the Assiniboine tribe! Meanwhile several outlaws have arranged to trade stolen military guns for fur pelts with the Assiniboine's enemies, Gros Ventre! Preacher finds himself falling for the beautiful Raven's Wing and pitches in for his comrades, the Assiniboine after their rivals have kidnapped his precious squaw! Trouble is around every corner with the tension mounting between the two tribes and Preacher is in the midst of an all out war, risking his life again and again! This book is packed with action and the descriptive writing takes the reader right into the heat of the adventure!

---

## **Steve Goble says**

A new acquaintance recommended this series to me, so I gave it a try. I found the dialogue to be too corny and cliched, the bad guys to be just a bit too horribly evil for no particularly good reason and bad tacticians and planners to boot, while the good guys just didn't come off as real people. So, I gave up on the book.

---

## **Jerry Blackerby says**

Another excellent Johnstone book about Preacher. Exciting all the way through.

---

## **Allen Johansen says**

### **Another great**

The entire mountain man series is great and this is just another in the epic saga of William johnstones writing career
