[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, HEA]

Theo Rosewell was kidnapped and sold from house to house as a sex slave. In this new house, he's immediately chained to the floor, as two alphas are forced to fight for the right to mate with him.

Lucius doesn't want another mate. After losing two in the arena, he has no interest in loving and losing another. But the frightened omega will die if he loses. So Lucius fights and wins. When he's injured in the battle, Theo takes care of him. Lucius can't lie. He tells Theo that he can never love him.

Lucius can't keep his own promise, however. Worse still, Theo is pregnant with Lucius's pup, a pup they will never be allowed to keep. When rumor goes around of a pack of alphas roaming around the property, Lucius will risk everything to get his mate into that pack. He will let Theo go even if it breaks his own heart.

## **From Reader Review Sold as the Alpha's Love Slave for online ebook**

### **~SexyBookWorm~ says**

This book was about Theo the omega healer who was kidnapped in a previous book and is repeatedly sold. He ends up in a vamps home that doubles as a fighting arena. The vamp master forces Theo to mate with lucius, the top fighter in the arena. Lucius tells Theo he will never love him abs that eventually Theo will be killed in the arena bc that is the nature of things in that world.

TBH I wanted a different kind of story for Theo. Becoming a blood whore is such a step down for a freaking doctor! Idk what exactly I wanted but its not falling in love while in captivity with another slave.

### **Phaney says**

[(Theo, despite having been used as a sex slave for half a year, still gets aroused when looking at a heavily injured man; this feels just... wrong) (hide spoiler)]

### **Deli says**

I just barely finished reading it. mainly because i was curious how it ends.

The idea of the story is good and i can see what the author wanted to do with this book, but to me, i just didnt feel any emotions delivered.

As this is the first book i read from this author, im not sure yet if im going to try and pick up another one.

### **Michi Rosa says**

Well shit happens and in this book shit really hit the fan and spread all over Theo's life.

Oh boy.

Poor Theo.

Thank goodness this is HEA, otherwise I would never recover.

### **Christy says**

I so adored Theo in the previous books and was glad he got his own, although I felt bad for what he went through. Lucius was so gentle and loving, even when he didn't want to be. The fight scenes in the arena were all gladiator style which was pretty cool. Good addition to the series!

**Ericka Walden says**

Hmmmmmm.... Not my favorite in this series, only because of the content. The end sort of redeemed the entire book for me though.

---

**Lizzie says**

It was different for a change. Theo wasn't completely helpless, carried himself well and did the best he could with what was happening to him. I liked Lucius, but I'm surprised he didn't make a point to the other wolves before that they outnumbered the vampires. Especially since it seemed that the vampires used the wolves as guards. Decent ending. Glad everybody got what they deserved.

**Candice says**

Again with all the different kinds of mates. :( Keep it all the same, please.

**Emily Elizabeth says**

I mean...

I couldn't not.

**Beth doesn't write enough reviews says****so far the best in this series**

This one had a real plot, drama, heartache and some violence.

I was actually entertained by the dynamics of the vampire arena slaves.

**Corandra says**

2.5 stars

### **Figlet says**

My favorite of the series (so far) which surprised me but, yeah, compelling and intriguing love story, great werewolf-vampire-slave-master politics, and emotionally reverberating.

### **Elena says**

3.5 stars!

I liked this instalment of *The Pregnant Mate* very much!

**Lucius and Theo** are very sweet together.

Lucius' struggle to not-love Theo and Theo's patient care and affection towards the big alpha slave were very nice to read about :)

Off to the next part! ;)
