## Taken by Surprise Lyla Sinclair

CPA Lauren Hughes has been so busy working on taxes, she hasn't managed to cultivate a love life. She's so desperate for fun, she accepts a ticket to what she thinks is a rave. When she finds everyone at a mansion playing board games, she thinks she's been had...until she doesn't win and learns that Richard, her host, has very special consequences for losing. If only she hadn't been too vain to wear glasses, she'd have read the rules in the foyer and have a clue about what the players expect her to do next. But with tall, dark, and sexy Richard in charge, Lauren can't bring herself to leave before she learns exactly what he has in store for her.

### **Megan says**

This is part one in a three-part series of the same characters.

Lauren Hughes, CPA, is longing for excitement. She attends a “party” recommended by her friend which is basically a voyeuristic party. She meets and is instantly attracted to her host- Richard.

Such a fun, exciting short story it just made me want to read the other two in this series! I had to find out how Lauren and Richard found their HEA! Such great characters- I love Richard!

### **Aimee says**

I enjoyed this short story, although by the time I was done I was really starting to wish it was longer. I like Lyla's writing style. I thought the short story was very steamy, but I didn't feel like I really got to know Richard or Lauren really well before the story ended. I like to get to know characters and my biggest wish is that I had more time to learn about both of them.
