**Heartwarming book.**

I had so many of the same emotions about my dogs that I had to let go! It is truly the hardest but most humane thing to do! Just remember each new family member has a special gift. They are brought home to love but not replace.

This book was a cute story of a dog and his family. Of course with all dogs stories there is always a small tragedy at the end. Warning, there will be tears. Even so, it was a great short story. The pictures of the dog was a nice touch.
