The Tyrant's Tomb Rick Riordan

In his penultimate adventure, a devastated but determined Apollo travels to Camp Jupiter, where he must learn what it is to be a hero, or die trying.

It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopoulos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught. Unfortunately, the answer to their salvation lies in the forgotten tomb of a Roman ruler . . . someone even worse than the emperors Apollo has already faced.

??? all my crooked spines ??? says

honestly this went on my shelf for **literally my favourite books literally ever** BUT honestly rick could write a book that's logically one star and i'd still be obligated to give it five stars for my childhood self. this man could literally write a book about apollo and meg arguing and i'd vote for it as the best book of the year in the goodreads awards. oops

SO HAPPY THE BURNING MAZE GOT THE AWARD IT DESERVED @ THE GOODREADS AWARDS !! well done

ALSO FALL 2019?? YOU EXPECT ME TO CONTINUE LIKE A NORMAL, FUNCTIONING PERSON UNTIL FALL 2019??

Circe says

I'm still speechless so I'm just gonna say that please Rick make sure Apollo remembers, he needs to.

I want to read so bad this but at the same time I'm so scared I don't wanna touch it.

pre-released expectations:

Pretty sure it will be one of my **5 stars** in 2019!

it's penultimate in the series! it's gonna be awesome!

How did I spend My time before the book released:

I checked the tyrant's tomb twice a day, I was going to add it on the day the cover revealed, because I would know & remember the date (not like a week later by a random search) & fangirling!

I also fantasized my cover & I would be so happy & excited if it would be similar.

Cover revealed: 3/7/2019, beautiful!!! <3 (not like my imagination tho)

Release date: 9/24/2019 (like my Birthday date (24/9) but in Iranian calendar!)

how can I spend 6 more months!?

so excited!

2019 most anticipated!
